Dear Pastors & Co-Partners in Christ,

Greetings from the heart of beautiful Silicon Valley of Northern California! I trust that you are doing well when you received this letter.

We will be hosting this year's state rally and we've selected a theme of **"Be An Overcomer!"** derived from the verse of **Revelation 3:20-22**. Jesus is encouraging us to keep continue holding our faith until the day He comes. We are all facing a very difficult time because we lived on the last days and the devil is very aggressive in tearing down people and dividing the church. Many suffer with strongholds but we are all children of God and there is no way for the devil to win this battle. We would like to encourage you to bring your flock and join this revival and fellowship; this will help our brethren refresh their faith.

We've invited anointed speakers for both Adult and Youth. They are wonderful ministers who have walked in the areas of great faith. I am sure they will impart a supernatural faith on us. We will be providing children and nursery ministries too.

If your church is a contributing partner in this state rally, we would like to request if you could send your \$300 or more of your contribution to the mailing address shown above. We will need this to help us with the state rally's operating cost. Please make your check payable to **Deaf Jubilee Assembly**.

If you are new partner and was thinking of joining with us then it is our pleasure to welcome you in our fellowship. If you would like to partake in this event and join with the group of pastors for a business meeting then you are also required to help by contributing \$300. You will have a benefit of joining the business meeting with free lunch. You could bring your wife if you are a pastor and one representative with you.

We are also enclosing the final **state rally flyers** and the **talent registration** form to be filled by you or your church leader. We will need this copy no later than **May 15, 2012**. If you have any question then please feel free to email me using djapastor@gmail.com.

We are looking forward to this great fellowship. Thank you and God bless!

In your service,

Rev Olivia Bibb
